### President's Column

**LANGFORD JOHNSON**

**Greetings**, it has been a while since the last newsletter but with everything that is happening, I found myself having little to say. I do hope that all is well, and everyone is staying as safe as possible.

I spoke with Ed Clark a while ago and Lazydays is on the calendar for 2021. Let us pray that it will be safe enough for us to come together. If we do make it to Lazydays we will have our official meeting to elect new officers. If not, the current officers will stay in place until we are able to have a meeting to vote.

While we were "shut down" some of us did manage to get away. Five coaches got together and went to Grays Point for a week (myself, Sam & Maria, Phyllis & Rick, Mark & Ariane and Lawrence

Turner). While we were there Lawrence came up with the idea for us to go to Jimmy Johnson's in South Carolina. Well needless to say five turned into 19 and we went and had a ball. It was better than a rally. I also understand that some of the members went to the Oyster Fest and had a great time as well. I was happy to hear that despite what is going on some of us were still able to get together and have a good time.

Ed will have the 2021 schedule out to everyone soon and the Texas run may be on the schedule. I am looking forward to seeing Emmitt in his hometown. Some of you may or may not know I was down for a few weeks; I had some repair work done on my eyes. I removed the seal beams and replaced them with LEDs so I can see much better now. So well in fact, I can see fly droppings in pepper!

Until we meet again, be safe and take care of yourselves. Happy Holidays to All!!!

## Chaplain's Column

By Rev. Rodney Gause

**Choice greetings Us Club family. I pray that God has kept you in this time of a pandemic that is shaking our world.**

This period of time leaves all of us with questions on many fronts. Let's look at one. Are You Questioning Who God Is?

If we are all honest, we've all not only had questions for God, but we've actually questioned God. We just do not understand why certain things occur on earth. We believe that God can do anything, heal anyone, and restore any relationship-but why doesn't He?

It is in these questioning times that we have to stand on what the truth is about God. Consider this prayer during your time of reflection:

Lord, I'll trust in You with all my heart and lean not on my own understanding. In all my ways I'll acknowledge You, and You'll direct my paths. You alone know best because Your ways are higher than my ways, and Your thoughts are higher than my thoughts.

Without faith it's impossible to please You, so I'll draw near to You and believe that You reward those who seek You. God, You call me blessed because I have not seen, yet I still believe. You always keep Your promises, and

You don't change like shifting shadows.

You're my dwelling place, my helper, my strength, and my defense. You are mighty, robed in majesty, armed with strength, compassionate, gracious, slow to anger, and abounding in love. You made the heavens, formed the dry land, and Your renown endures through all generations. You won't slumber but will watch over my life.

God, You are the Alpha and the Omega, the beginning and the end, the first and the last, and there is no one in all the world like You. (Psalms 89:8) O Lord God of hosts, who is a strong Lord like unto thee? or to thy faithfulness round about thee? Lord keep my family and I, as well as this nation in your care in Jesus name Amen.

God bless the Us Club. Feel free to reach out to me for prayer or just sharing!

## Hospitality Report

By Pat Caldwell

### May

Muriel Culbert-Death of Mother-Tera Culbert

Frank Curry-Death of brother-Paul Curry

William & Sandy Curry- Death of brother-Paul Curry

### June

Shelly Gause- Death of dad-Calvin Tabron

### October

Ed Clark-Death of Sister- Barbara Clark

Ben McLarin- Death of Niece-Barbara Clark

### November

Clarence Jones-Death of Wife-Bernetta Jones

Have a blessed holiday season and New Year.

## Rally Coordinator

By Ed Clark

### Greetings fellow Us Club members.

As we grind down to the end of the year 2020, let's not look back, but have faith that 2021 will be better. Get your new 2021 calendar out and let us start planning 2021.

First let me assure you that we will continue to follow all health and safety guidelines as stated in our Us Club's Rally Guidelines 2021. Our new 2021 rally year will begin March 1st thru 5th, with our Lazydays Rally in Tampa, FL. This year our rally will be held in an open aired event tent, with a seating capacity of 250 persons which will allow us to maintain social spacing with room to spare. Our meals will be fully catered by Lazydays and they will provide personnel to ensure sanitary conditions during all our events. For more information check the club's website, where you will find a listing of the schedule of events, the registration form and contact information.

Next, we are hoping to include the," Blessing of The Coaches" to our schedule for the month of June. Right now, it is still in committee. We will provide more information as it becomes available.

New this year, Ellen Yalley has changed the location of her September rally from Western Maryland to Harrington, Delaware. Ellen has arranged campsites, catering services and a pavilion at The Harrington State Fairgrounds, in Delaware. So, add these dates, August 26 - 29th, (four days), Look for more information on our website as it becomes available.

In 2021 we will form a new rally group; Mark Odom and his committee have a great trip planned for us. As you may recall," Our to do list", listed San Antonio, Texas.

Well thanks to some effort and local contacts they have completed most of the planning and ask that we join them. The dates are September 20 - 24th, 2021. Mark and the group have completed most of the travel plans, with recommended routes and best stopovers, they intend to make this the high point of 2021. Look for more information in the new year on our website.

## Treasurer's Report

By Ethel Sterling

*Dec 2020 Report*  
**Beginning balance as of  
8/21/2020 - \$8,634.64**

### Deposits

Dues \$40.00

**Total:** 40.00

### Expenses

Treasury Expenses 8.90

Sympathy (Jones) 25.00

**Total** 33.90

*Ending balance*  
**as of 12/21/20 - \$8,640.74**

## Tech Tip

**Safety and Technical Suggestions-** By Lawrence Turner

Greetings to all. While the ability to use our "Houses on Wheels" has been diminished or halted completely, I hope we have not neglected to keep them ready to roll when safe travel resumes.

Some things we can do to accomplish this include:

1. Lowering your leveling Jacks to remove some of the weight from the tires.
2. Place a barrier between the tires and the ground. Something as simple as cheap cutting boards will suffice.
3. Fill your fuel and propane tanks to capacity. This helps prevent moisture.
4. Exercise your generator at 50% load for at least an hour once a month.
5. Utilize some form of rodent control. Utilizing traps or a product I have found to be effective called Fresh Cab, and by removing all food from the coach.

Happy and SAFE Holidays to everyone.
