President's Column

LANGFORD JOHNSON

Hello club members. Having witnessed the pandemic, we are blessed to be here. It looks like we will be able to get together soon according to the most recent CDC reports. As we start to move forward, please continue to follow CDC and campground guidelines. We have a couple of upcoming Rallies and are optimistic that they will occur as scheduled. I would like to thank Mr. Harry Sterling for coming up with a method to get the Us Club election held. I would also like to thank the nominating committee for an outstanding job. I look forward to seeing you all real soon. Make sure to visit the Us Club website to keep up with upcoming events as we resume our Club Rallies and Gatherings.

Choice greetings Us Club Family!

I pray that God is continuing to watch over you and your families as we make it through the most difficult season our world has seen in some time.

Many were lost during this pandemic and many are grieving, so we continue to pray for those who are mourning. It is undeniable, that Covid has touched just about everyone's family, but at the same time we have experienced tremendous grace. Let us look at this for a moment.

The Gift of Grace

“And with great power gave the apostles witness of the resurrection of the Lord Jesus: and great grace was upon them all” (Acts 4:33). Who is not

included in the word all? I will come back to this verse later but first let us dwell for a few moments on this word, grace.

Grace is the key word of the New Testament. Had it not been for grace, we would all be lost. Romans 5:20 tells us, “Moreover, the law entered, that the offence might abound. But where sin abounded, grace did much more abound.”

This word, grace, is one of the most precious and powerful words in scripture. It is a word used to designate anything that is called out of the heart—wonder, admiration, pleasure, joy. The word grace also came to signify the doing of a favor graciously, spontaneously, a favor done without expectation of return but arising only out of the generosity of the giver. Grace is a gift which implies the presence of the giver. The giver and gift are so involved that the gift cannot be handed over unless the giver is involved.

God’s grace is that matchless, wonderful, marvelous act on His part when He, out of the spontaneous infinite love of His heart, steps down from His judgment throne in heaven to take upon Himself the guilt of our sin and the penalty which is justly ours, doing this not for His friends but for His enemies. We were guilty and condemned to die, but Jesus signed our pardon.

This is good news! Where would we be without God’s grace. Christ paid it all and all to Him we owe!

Greeting Us Club, it is a new calendar year and we have three new vaccines and a little cash. Most of us have gotten our shots and are looking forward to getting back to some sense of normality. If you didn’t get vaccinated, please do so before you attend a rally.

Next let me assure you that we will continue to follow all health and safety guidelines as stated in our Us Club’s Rally Guidelines 2021, and those issued by local health departments. “We may be able to see the light through the trees, but keep in mind we’re not out the woods yet.”

Our 2021 rally year began, March 1st thru 5th, with our Lazydays Rally in Tampa, FL. This year our rally was held in an open aired event tent, with a seating capacity that allowed us to maintain social spacing with room to spare. Our meals were fully catered by Lazydays who provided personnel who maintained a safe and sanitary environment for us during each of our events. The food was excellent, and the event tent was well placed next to the club house which allowed us to have some privacy without being disturbed by passersby or vehicle traffic.

Our Friday night wagon master’s potluck dinner, once again was a big hit along with the Bahama mama. Despite the pandemic, we had 16 coaches and 36 members attend. Also,

this year we added two new families who joined during the rally.

What is next? “Yalley’s Rally”

Ellen Yalley has arranged campsites, catering services and a pavilion at The Harrington State Fairgrounds, in Delaware. August 26th thru 29th, (four days), the registration form as well as other information about her rally is now posted on the club’s webpage under future rallies. Check it out.

Last year a new rally group was formed by Mark Odom. As you may recall, San Antonio, Texas, was listed on. “Our To Do List”. Thanks to Mark’s efforts and some local contacts they were able to complete their planning and have set September 20th thru 24th, 2021, as the San Antonio Rally dates.

Mark and the group have researched and assembled a listing of the best possible routes and stop overs places. They intend to make this rally the high point of our 2021 rally season. Please remember that there is a deadline to register. Check our website for the form and contact information or if you have any question about the routes or the rally.

Friends, last but not least, we are planning to close out the year with a rally at GnR, in Houston, Delaware, the third weekend in October (15th till 17th). If you still are not sure you are ready to mix with a lot of people, join me in hoping that by October things will have improved.
